Our Financial Policy
Thank you for choosing us as your dental care provider. We are committed to your treatment being successful. Please understand that payment of your bill is considered part of your treatment. The following is a statement of our Financial Policy which we required that you read, agree to sign prior to any treatment.

- All patients must complete our "Patient Information Form" before seeing the doctor.
- Full payment is due at time of service. Any amounts not paid in full within 30 days will be subject to a finance charge of 1.5% compounded or $10.00, whichever is greater. Delinquent accounts may be assigned to our collection agency, and you will be responsible for all collection fees.
- We accept cash, Visa, MasterCard, Discover, Capital One, and CareCredit

Regarding Insurance
We may accept assignment of insurance benefits, however 20-50% of the bill is to be paid at time of service. The balance is your responsibility whether your insurance company pays or not. We cannot bill your insurance unless you bring in all insurance information. Your insurance policy is a contract between you and your insurance company. We are not a part to that contract. If your insurance company has not paid your account in full within 45 days, the balance of your account will be due. Please be aware some and perhaps all of the services provided may be "non-covered" services and not considered reasonable and necessary under your insurance.

Regardless of the insurance company's determination of usual and customary rates or amount of assignment, you are required to pay the full amount charged.

Adult Patients
Adult patients are responsible for payment at time of service.

Minors
The adult accompanying a minor and the parents (or guardians) are responsible for full payment. For unaccompanied minors, non-emergency treatment will be denied unless charges have been pre-authorized to an approved credit plan, Visa, MasterCard, or payment by cash at time of service has been verified.

Missed Appointments
Unless canceled at least 24 hours in advance, our policy is to charge for missed appointments at the rate of a normal visit. Please help us serve you better by keeping scheduled appointments.

Thank you for understanding our Financial Policy. One of our goals is to reduce the cost of billing and thereby keep the costs of our services as low as possible to all patients. Please let us know if you have any questions or concerns.

I have read, understand, and agree to the above Financial Policy
